

## **Mrs Evans – Headteacher**

I am thrilled to be the Executive Head Teacher of the collaboration of Middleham VA and Spennithorne VC Church of England Primary Schools and am now in my 11th year of headship. It is a real privilege to work in two amazing schools with fantastic staff teams. I am committed to ensuring that our school can provide a variety of opportunities for all of our children and I encourage us all to ensure that we continue to be the best we can be. I particularly value both school's distinctive Christian ethos and warm family atmosphere.

I have been teaching in North Yorkshire for all my time in headship having previously worked in County Durham, Cambridgeshire, Surrey, Devon and Malaysia in a variety of teaching and leadership roles.

I feel privileged to be in a job where I enjoy coming to work every day and working alongside an amazing bunch of children.

When I am not doing school work, I enjoy swing dancing having discovered how much I love the Charleston and can be found refereeing on a rugby pitch most weekends.
