### Key:-

\* - Younger children are permitted to play at the 'Wensleydale phase' but qualifying for regional round will mean Y5/6 children only.

\*\* - Rounders is a 9-a-side competition, substitutes may come along but only 9 players will take part at any one time.

\*\*\* - Of the 12 events, Tennis, is the only 'individual' sport, therefore, may we request 8 children from each school. As a polite suggestion, why not organise an internal competition prior to the event to determine who shall represent your school on the day.
