To all concerned,

Once again thank you for your support & help, the Valentine's Disco went off really well and all the children had a great time and are looking forward to the next one. We raised £58.00 on the tickets sold.

Can I just say parents automatically become members of FOMS (Friends of Middleham School).

Our next fundraising event is an Easter fair to be held in school on Friday the 4th April from 1.30pm till 3pm all welcome and details will follow soon.

For all who like to boogie there will be a 60's/70's and 80's disco for families on the evening of 4th April time to be announced, why not come and try your disco moves out.

Any monies raised will go to benefit the children of the school discussions are being held on what next to get with the monies raised.

Later in the year Sue Fairhurst is going to give a cookery demonstration for us which will be held at the Key Centre Middleham.

Our meetings are held at the School and anyone is welcome.

Also if you have a spare few hours to help at any of our functions it will be gratefully accepted.

Yours faithfully

FOMS
