Dear Parents,

We have worked with the school council to develop a new behaviour management system. We have a wide range of rewards in place and for the majority of children this is a huge success.

Unfortunately there are a small minority of children who find it difficult to behave in an acceptable way.

There will be a traffic light system in each class with every child beginning the day on green. Any inappropriate behaviour will result in your child working through the following system.

1. Green
2. Amber
3. Red
4. 5 minutes "time out"
5. 10 minutes "time out"
6. Isolation – which will be in a different classroom
7. If your child reaches Isolation (and we sincerely hope no one does) a letter will be sent home and you will be asked to come into school to discuss your child's behaviour.

Thank you for your continued support.

R. U. Sykes.
