

Educational visits during the school day which are part of the normal curriculum.

Schools are not required to obtain consent from parents for pupils to participate in off-site activities that take place during school hours, which are a normal part of a child's education. This will include visits to other North Yorkshire schools, other venues where school organised events are taking place and will also include local studies visits to a museum or library, swimming lessons etc. While parents do not have the option to withdraw their child from the school curriculum, it remains good practice to inform parents that a visit or activity is to take place.

This school will inform you of any proposed educational visit of this sort by newsletter/email (or letter if a voluntary contribution is being requested.)

Educational visits beyond the school day or which are not a part of the normal curriculum

Educational visits beyond the school day or which are not part of the normal curriculum require consent. This consent for educational visits is given on enrolment for those visits which are not further afield, residential or include adventurous activities.

This school will inform you of any proposed educational visit of this sort by letter/email.

For visits which are further afield, residential or include adventurous activities the school will request individual consent and where appropriate, further medical information.
