Executive Headteacher – Mrs L.A. Evans

22nd March 2018

Dear Parents,

From next term, we are changing the way we obtain your consent for school trips.

Following advice from NYCC, we are asking all parents to complete the attached form once, which will then be kept on file and used for the duration of your child's attendance at Middleham School.

Schools do not need to obtain parents' consent for any trip that takes place during school hours and is a normal part of a child's education. This includes trips to other North Yorkshire schools, local visits, other venues where a school organised event is taking place and swimming lessons. We will always inform you about a trip in advance, but there will be no need for you to give consent each time.

For any trip that takes place beyond the school day or is not a normal part of your child's education, your consent will be taken from the attached form. As with routine trips, we will always inform you in advance but again, there will be no need to ask for your specific consent.

For further afield, adventurous activities and residential trips, we will continue to obtain your specific consent in advance.

Please would you complete the attached consent and return it to school no later than Thursday 29th March 2018.

If you have any queries, please don't hesitate to ask.

Kind regards,

Mrs L Evans
Headteacher
